Dear Parents,

Thank you for considering Newark School Malta for your child.

About us

We are an international, English-speaking school with more than 43 different nationalities. We take pride in the multicultural environment we host for our students.

We are a fast-growing school however our classes are made up of small groups as to be able to focus on the individual needs of each and every student.

We follow a national curriculum framework in our school and our syllabus and classes revolve around the level and ability of our students.

We want our students to enjoy attending school as it is part of their everyday life and children learn more when they enjoy what they do.

Our Day at School

School starts at 7:45 am and finishes at 1:50 pm (latest) with a break at around 10.30 am. The break time is dependent on the class since we adopt a staggered break approach at the school for health and safety considerations.

The day in the classroom is divided into eight periods of 35 - 40 minutes each and students study a variety of subjects including Math, English, Maltese, Computer, Expressive Arts, Sciences, Personal and Social Development, Physical Education, Social Studies, Music and Information and Communication Technology.

Children in Year 1 – Year 3 (early years) have the following subjects on a weekly basis: Maths, English, Maltese, Science, Social Studies, Physical Education, Expressive Arts, Music, ICT, Ethics and PSCD.

Children in Year 4 – Year 6 (lower middle school) have the following subjects on a weekly basis: Maths, English, Maltese, Science, Social Studies, Physical Education, Expressive Arts, ICT, Ethics and PSCD.

Children in Year 9 – Year 11 (senior school) have the following subjects on a weekly basis:

Maths, English, English Literature, Maltese, French OR Italian, Physics, Chemistry AND Biology OR Accounts AND Economics, Social Studies, Physical Education, Expressive Arts, ICT, Ethics and PSCD.

Newark School Malta understands that non-native English speakers will benefit from enrolling for our one year English programme before joining main stream schooling. Newark School Malta in collaboration with School of English Malta has created an intensive English programme to assist these learners whilst also following subjects such as Maths, Science (hands on), Physical Education and ICT. Students who enroll for this programme will be students of School of English Malta and will still be expected to follow the rules and regulations of Newark School Malta. The programme is delivered from our existing premises to ensure full access to our facilities. The fees for the English programme depend on the class which the child should have joined.
