Dear Parents,

Thank you for considering Newark School Malta for your child.

About us

We are an independent, international, English-speaking school, home to students hailing from more than 46 different countries. We take pride in the multicultural environment we host for our students which is a second home to many!

We are a fast-growing school however our classes are made up of small groups as to be able to focus on the individual needs of each and every student.

We follow the national curriculum framework which is set by the Ministry for Education and our syllabus and classes revolve around the level and ability of our students.

We want our students to enjoy attending school as it is part of their everyday life and children learn more when they enjoy what they do.

Our Day at School

School starts at 8:15am and finishes at 14:20pm (latest – depending on the year group) with a break for eating and recreational time at around 11:00 am. The break time is dependent on the class since we adopt a staggered break approach at the school for health and safety considerations.

The day in the classroom is divided into eight periods of 35 - 40 minutes each and students study a variety of subjects including Maths, English, Maltese, Expressive Art, Sciences, Personal and Social Development, Physical Education, Social Studies, Music and Information and Communication Technology.

Here are the subjects which students learn at Newark on a weekly basis:

Children in Year 1 – Year 3 (early years): Maths, English, Maltese, Science, Social Studies, Physical Education, Expressive Arts, ICT, Ethics and PSCD.

Children in Year 4 – Year 6 (lower middle school): Maths, English, Maltese, Science, Social Studies, Physical Education, Expressive Arts, ICT, Ethics and PSCD.

Fees and additional costs

Once a place in the class has been confirmed for your child, the documentation above is to be handed in to the School Administration Office within 3 working days together with payment of the agreed enrolment fees, the deposit term fees and the registration form to secure the place in class. Fees may be paid in cash, by bank transfer, by card or by local cheque payment (cheques payable to “Newark School Malta Ltd”)

All new children to the school are required to pay a registration fee and one term of tuition fees to secure a place in class. The one term of tuition fee is allocated against the third term fees of the first scholastic year. **The registration fee is only paid once, for new entrants upon registration.** If your child withdraws from the school and is re-enrolled within two years, 50% of the registration fee will be required. However, if more than two years have passed, the full registration fee will apply.

All school fees are strictly non-refundable if the child is withdrawn from Newark for any reason whatsoever.

Uniforms are supplied by the school at an extra cost and all books are to be purchased from an authorized distributor of the school’s choice and are sold at the recommended retail price as stipulated by our supplier. In addition to books and uniforms, parents/guardians will also be required to cover additional costs such as outing fees, resources and so on which are invoiced prior to the start of the scholastic year.

Children that progress from one year to another will need to pay for books and resources on a yearly basis. The prices of the books, resources and outings fee will be confirmed on a year-to-year basis.

Tax Rebates

According to the Income Tax Acts, parents who pay fees in respect of their children for attendance in independent private schools are entitled to an **allowable** maximum deduction for every child. This information is shared through an annual email circular from the school and more information may be obtained through the department for the ‘Commissioner for Revenue’.

The school reserves the right to carry out assessment tests before or after the registration of the child to determine the appropriate level. An assessment is carried out for all children enrolled from Year 3 onwards.

Fees are set in Euros and although the school accepts payments in other currencies at the prevailing exchange rate determined by the school, it takes no responsibility for bank changes or losses incurred due to fluctuations in exchange rates.

School tuition fees are invoiced three times a year. The fees must be paid prior to the commencement of each invoice period as stipulated in the communication from the school.

Tuition fees are due prior to the teaching period to which they relate to, and the school reserves the right to charge interest on arrears and consider limiting the access of pupils in respect of which fees remain unpaid.

Interest at the maximum rate allowed by law will be charged for students having overdue accounts. Parents with overdue fees will be informed at least one week before the end of the first month of each term, In the event that fees remain unpaid one month after school starts, the student in question will be suspended pending resolution of the matter.

School records and report cards will not be issued for students who have overdue accounts.

To guarantee a place for subsequent years, an advanced payment of the 3rd term fee of the following year is to be settled by the stipulated deadline which the school circulates via email. **Kindly note that this advanced payment is strictly non-refundable.**

In the event that the child does not attend the scholastic year which he/she is booked for an administration charge of eur500 applies to rebook the child to another scholastic year if the year has not commenced.

Tuition fees will **not** be refunded for any reason for students who leave the school prior to the end of a term. A cancellation notice must be served by the parents in writing, and this is subsequently sent to the Ministry for Education. Parents or guardians will be invoiced for the subsequent term if one term notice is not provided.

Fees relating to any children being expelled from school due to breaches of the school policy will not be refunded.

The value of the school fees is not guaranteed and is subject to change in line with inflation and other considerations.

VISA (if applicable)

Applicants who require full assistance with VISA applications can opt for our service against a fee of eur300 per student.

Applicants who require partial assistance (submission of documents only) with VISA applications can opt for our service against a fee of eur50 per student.

In the event that a student requires a VISA to attend school in Malta, Newark School will supply the said student with all the required paperwork. This can only be done upon receipt of the registration fee and full year of tuition fees. The central visa unit specifically requests that students coming to Malta on a visa settle the full year of school fees.

In the event that the VISA is refused the student must submit back to the school the original paperwork together with a copy of the refusal letter within one month of refusal date. Upon receipt of such, the school will process a refund of up to 70% on the term fees paid (registration fees are non-refundable if the VISA is not issued). The VISA assistance fee is not refundable. If a student is granted a visa however the subsequent extension(s) are refused Newark School has no obligation to refund the fees paid back to the student.
